

There are students in surrounding schools
who need your help!

Please send in tissues and hand sanitizer

By Thursday, February 28th

Markham Woods Middle School still has a need fo
used or new backpacks

For each donation your child will put their name on a
Heathrow Heart that will go on our special Wall of
Hearts. The Heathrow PTA has joined with school
administration and teachers to reach out into our
community and give a helping hand to those schools and
children in need. Throughout the year we will be holding
various Heathrow Hearts collection drives to provide
support to the hundreds of children in need in our local
area schools. If you have any questions please contact:
